

Grill of the Archduke  
Territory of the Blu In Cafe

*Proclamation of Recognition*

The United Territories of the Sovereign Nation of the People's Republic of  
**SLOWJAMASTAN**

**Whereas;** Good neighbors are hard to come by, and the dubious Scandemic spawned a healthy pasquinade across the Globe, and

**Whereas;** "Slowjammin" is Esprit de Corps with ad-lib entertainment, tomfoolery, waffles, beer, and the famous Push Pork we so enjoy in Ocotillo Wells, Ca.

**Therefore;** we welcome his Excellency the Sultan, his Chief of Border Patrol, Rescue Rick, and your Big Ass Sign as our favorite foreign country.

NOW, THEREFORE IT BE RESOLVED, THAT I, Jason Sandoval, the Archduke of the Blu In Café Territory do hereby recognize our neighboring micronation, the Republic of Slowjamastan as a peace keeping and sovereign nation surrounded by Ocotillo Wells, and encourage Loco Tourists, and fellow Desert Rats to support the growth of your founding Republic – *Not only on Tuesdays, but also on the days of the week we pump water from our well.*
